OUR SERVICE

You will not receive advice or any recommendation from us in respect of the finance and insurance options we can offer, instead we will ask you a number of questions to narrow down the selection of products we will provide details on, ensuring you have sufficient information to choose how you wish to proceed.

INSURANCE BUSINESS

THE PRODUCTS AND SERVICES WE OFFER

Lookers will represent you in the sale of the insurance. We offer our customers a range of optional insurance products to protect and compliment their vehicle purchase. We may offer you:

Total Loss Cover | Complete Wheel Protection | Minor Damage Protection | Carsmetic

The insurance products are underwritten by Fortegra Europe Insurance Company Limited and administered by Premia Solutions Limited.

YOUR DUTY OF DISCLOSURE

It is your responsibility to provide complete and accurate information to the insurers when you take out your insurance policy and throughout the life of your policy and when you renew your insurance. Your insurance will be based upon the information provided to the insurance company. Failure to disclose material information may invalidate your insurance and could mean that part, or all, of a claim may not be paid.

CONSUMERS: You must take reasonable care not to make a misrepresentation to the insurer. This means that all the answers you give and the statements you make as part of your insurance application, should be honest and accurate. If you deliberately or carelessly misinform the insurers, this could mean that part or all of a claim may not be paid.

COMMERCIAL CUSTOMERS: You must, at all times, act with utmost good faith towards your insurer. Before your policy is placed you have a duty to make a “fair presentation” of the risk and you must disclose to your insurer all information, facts, and circumstances which are, or ought to be, known to you and which are material to the risk. In addition, if your policy contains a particular clause stating that any change in circumstances must be advised to your insurer, you will also have to disclose certain information during the policy period.

HOW TO CANCEL

You may have a statutory right to cancel your insurance policy within 14 days. Please refer to your policy summary or your policy document for further details. If you cancel you will receive a pro rata refund of premium from the insurer. Insurers are also entitled to make an administrative charge. If you wish to cancel outside this period, you may not receive a pro rata refund of premium.

HOW TO CLAIM

If you wish to make a claim on your policy, you should contact Premia Solutions Limited on telephone No. 01926 622 660. If you are in doubt about who to contact, please contact us on 0161 291 0043, we will provide assistance as to whom to contact.

PROTECTING YOUR MONEY

Prior to your premium being forwarded to the insurer, and for your protection, we hold your money as an agent of the insurer. This means that premiums are treated as being received by the insurer when received in our accounts, in which case your insurance is treated as being paid for. Money held by us under such arrangements does not constitute client money within the FCA’s Client Money Rules. We may need to transfer your money to another intermediary in some cases. We also reserve the right to retain interest earned on monies held by us.

FEES AND CHARGES

When we arrange an insurance policy on your behalf you do not pay us a fee for doing this. We receive training support from the administrator and commission from the insurer which is the difference between the amount of your premium for the insurance policy and the amount we pay the administrator for the insurance policy inclusive of Insurance Premium Tax (IPT).

ABOUT OUR CREDIT BROKING TERMS

CREDIT BROKER STATUS DISCLOSURE

We are a credit broker, not a lender and have the permission to carry out the regulated activity of credit broking which includes effecting introductions between you and lenders or other credit brokers. This means that we can introduce you to a limited number of finance providers to assist with your finance. All finance is subject to status and income. We also hold the permissions of debt adjusting and debt counselling for the regulated activity of settling finance agreements on an existing car in part exchange circumstances and organising a new finance agreement to replace it.

FINANCE APPLICATIONS

Usually, we will refer initial finance applications to the vehicle manufacturer, if this is not possible, we will refer your application to our main panel of lenders. If this is not successful we will refer your application to our secondary panel of lenders.

Where we carry out any negotiations with you in relation to your finance agreement we will inform you if your application has been declined. We will also provide you with the details of any credit reference agency consulted by the finance provider.

COMMISSION

We receive commission from your finance provider for introducing you to them. You are entitled, at any time, to request information regarding any commission which we may have received as a result of placing your business with a finance provider. If we do not know the exact amount of commission, we will provide you with the likely amount.

FINANCE AGREEMENT REVIEW

Where we have arranged finance for you, we may contact you prior to the end of your finance agreement to discuss the return of your vehicle and/or end of term options available to you.

GENERAL

COMPENSATION

We are covered by the Financial Services Compensation Scheme. You may be entitled to compensation from the scheme if we cannot meet our obligations.
